- 2 CD's & 1 Map           \$30.00 Check
- 1 Plate & 3 Books        \$25.00 Cash
- TOTAL                     \$90.00

**Next year's functions:**

- Film show in the spring

**Next year's projects:**

- Prepping back room for Jail that was once there. We still need to get pictures of what the jail looked like before this can be done.
- Toilet and sink in bathroom need to be looked at so they function.

**The 911 Sign** that is currently attached to the front of the building should be placed somewhere else off the building. We need to locate a better place for the "Open" flag and the 911 sign for better visibility towards the road. Al will look for a portable sign with removal letters to put by road on lawn.

**Attendance of trustee's was discussed** for meetings and functions. We realize everyone can't make all the meetings and/or functions, but being absent a lot, puts a lot of responsibility on the other members. Mitchell Holland, Priscilla Margola, Priscilla Thayer are current responding trustee's. Al will call Tom Boudreau to see what his status is with this board and if he still wants to be part of it, as he has not responded to any meetings, functions or e-mails.

**Do Not Touch Signs** will be created by Rhonda and laminated.

**At The September 24th open house**, Al will open up and Pricilla Thayer will relieve him at lunch time.

**A budget for next year projects** needs to be discussed and written soon to be presented to the select board. A line item specifically for the Historical Society was an idea, but more discussion next meeting if these are needed.

Adjourned: 8:11pm

Submitted Respectfully,
